

Drop-in Center News

I would like to express my deepest gratitude for all who participated in our Mental Health Month panel discussion. What a wonderful opportunity to exchange information and insight regarding our community and supports available. I truly appreciate all those who attended and contributed despite the horrendous storms the previous evening.

We still have tee shirts available. Please contact me if you are interested in obtaining one. I would like to offer a special thank you to Emersen A., Amanda R., Cody R. for assisting with setting up for the event, also Sharon B. and Jodi T. for their assistance. Thank you to Jody T. for making sure our Center is clean and sanitized.

As we move into summer, I would love to offer more activities. Please pay attention to the calendar. I am always open to any ideas and suggestions to increase engagement and participation.
