

Drop-in Center News

If any of you are like me, you are aching for spring! As we prepare for increased sunlight and refreshed energy, please consider sharing your ideas and thoughts for new groups/classes I can offer. Any gifts, interests or talents that you have and would like to teach to others? Any that you would like to develop? I appreciate any insights and suggestions you can provide. This Drop In Center is for YOU and I would love to reflect and inspire our community. We do have some amazing functions coming later in the year. We will again have an event for Mental Health Awareness month. I will keep you posted on the details. In July, I am planning our field trip to be an adventure to Moorhead to attend a performance of "Singing in the Rain."
