Drop-in Center News

Happy June! I want to express my sincere gratitude for all who participated and attended our Mental Health Month event. You are all amazing and valued individuals! Please check out our Facebook and website for pictures and video of the speakers.

I am currently considering options for a summer outing. Last year we went to the aquarium at MOA. I am seeking ideas to allow for a fun experience for all. Please contact me with any ideas you may have. I am always open to your voices.

"Spring is here and our spirits improve. Winter and long dark days wear on us. Getting out and enjoying green grass and new life is a joy that most of us appreciate. We also recognize that is not true for everyone. Darkness and glum are not always so easy to shake off. Stopping by the Drop In for a free cup of coffee or soft drink and snack is always a treat plus a healthy amount of BS can go along way to brighter day! Hope to see you there soon."
