

Drop-in Center News

It is with a heavy heart that I convey this news. As of October 1st, 2023, the Community Partners Drop In Center will no longer be located at 125 E. Minnesota Avenue. We are currently looking for a temporary location. Please be assured that the program will continue. As things develop, updates will be posted on the Community Partners Drop Facebook page and on the website.

I do want to express my gratitude for all the support I have received as these changes are occurring. The Community Partners Drop In Center offers understanding and support to many in this community. I appreciate each person I have had the honor and privilege of getting to know and hope to continue to build relationships in this community
“We all do better when we all do better”.
