

Drop-in Center News

GOOD NEWS! Our current location has been extended until December 31, 2023! I want to express my heartfelt gratitude to all of you who have been so supportive and invested in our Drop In Center. It's truly evident that so many of you benefit from the support and understanding that is offered here.

I will no longer be mailing our newsletters. They will be posted on Facebook and our website. If you would like a copy, please contact me with your email or pick one up at the Center.

Our activities and events will continue as currently scheduled. Please reach out if you have any ideas for new activities you'd like to see added. Please note that the Center will be closed on Friday, October 13th for "A Day at Home". Please contact me if you need transportation to this event.
